At the heart of every episode is one important truth—

**The power to win is always within!**

Take this opportunity to license a fresh new brand with global reach.

- Zoonicorn is the only preschool series focusing on fun AND the importance of internalizing optimism, persistence and resilience—the foundation upon which all social-emotional skills are built.
- US streaming platforms include Happy Kids TV on Roku, where we launched in the top 10 kids programs, YouTube, El Reino Infantil (Spanish language) and Amazon Prime Video.
- Currently available in more than 80M+ HH in the U.S. and 100+ countries around the world.

Toothbrush Toys' timer and Teddy Mountain's stuffies are two of our many licensees.
